

2022 Application Guidelines

Special Selection based on the Chinese Government Graduate Student Overseas Study Program (国家建设高水平大学公派研究生项目)

The University of Tsukuba (UT) will be accepting applications from Chinese students based on the Chinese Government Graduate Student Overseas Study Program (国家建设高水平大学公派研究生项目), which is conducted by the China Scholarship Council (CSC). In this special selection, receiving a scholarship from CSC will be a prerequisite for admission. Applicants who failed to win the scholarship will not be admitted to UT, regardless of the result of the entrance examination.

Note: The dates and times listed in this document are in Japan Standard Time (JST).

2. Number of Students to be Accepted

The following doctoral programs at the Degree Programs in Systems and Information Engineering are recruiting students in this special selection.

Program	Number of students to be admitted
Doctoral Program in Policy and Planning Sciences	A few
Doctoral Program in Risk and Resilience Engineering	A few
Doctoral Program in Computer Science	A few
Doctoral Program in Intelligent and Mechanical Interaction Systems	A few
Doctoral Program in Engineering Mechanics and Energy	A few

3. Eligibility for Admission

- (1) Applicants who have been awarded with a master's degree or expected to achieve it by September 2022
- (2) Applicants who have been awarded with a professional degree or expected to achieve it by September 2022
- (3) Applicants who have been awarded with an overseas degree equivalent to a master's degree or professional degree as of September 2022
- (4) Applicants who are 24 years or older as of September 2022, and recognized as having academic competency equivalent to persons with a master's degree or professional degree, as a result of the eligibility screening conducted by UT

Note: If you have any questions about your eligibility or would like to be screened, please contact us individually at sysinfo.admission@un.tsukuba.ac.jp.

4. Fees & Tuition

The entrance examination fee for this special selection will not be collected.

Applicants who have passed the examination and confirmed to receive a CSC scholarship will be admitted to UT. Entrance fee and tuition will be waived. However, students must pay the tuition for the study period that exceeds the scholarship payment period (i.e. 36 months, which is the standard period required to complete the doctoral programs listed in "[2. Number of Students to be Accepted](#)").

5. Application Procedures

Before Applying

Before applying, applicants must contact a faculty member and obtain consent to become their prospective supervisor (the person who gives them academic instructions after enrollment).

For the lists of faculty members and their fields of research, see:

<https://www.sie.tsukuba.ac.jp/eng/visitor/exam/entra/>

International students who plan to apply for the following programs will need a "reference number" to complete the application (It is a required item on the application form). The reference number will be issued via the prospective supervisor. Since it will take some time to obtain a reference number, please contact your desired faculty member as soon as possible.

- Doctoral Program in Risk and Resilience Engineering
- Doctoral Program in Computer Science
- Doctoral Program in Intelligent and Mechanical Interaction Systems
- Doctoral Program in Engineering Mechanics and Energy

Apply for Eligibility Screening

Those who fall under the category (4) of the requirement of eligibility (See "[3. Eligibility for Admission](#)") are required to undergo eligibility screening.

Apply for eligibility screening via e-mail at sysinfo.admission@un.tsukuba.ac.jp by the following deadline.
