4. FAQ and contact information

■FAQ

Q1: I have not received the mail (file).

A1: The information should have been sent to the email address associated with Microsoft Office 365, which is provided by the University of Tsukuba.

If you cannot see the email, please make sure you are signed in to the Microsoft account associated with the email address provided by the University of Tsukuba, and then register again.

If you are still unable to confirm receipt of your email after checking and trying the process again, please contact us at the e-mail address below.

Q2: I have already obtained the separate forms and prepared the documents, but do I have to recreate them using the Thesis Package Assistant?

A2: If the form has already been prepared, there is no need to recreate it. Please make sure that the form is as specified before submitting it.

Q3: I want to modify the information I have already registered.

A3: Once you have registered, you cannot overwrite or modify the contents, so please make sure to modify the WORD file sent to you.

Q4: I accidentally registered with an organization other than my home organization (i.e., a student belongs to major (enrolled before 2019) registered as a student in the degree program (enrolled after 2020) or vice versa).

A4: The registration information cannot be deleted, so please register again and obtain the file.
