How to submit a Doctoral Thesis

Doctoral thesis by those who are scheduled to graduate in September 2023, please obtain the [approval of your academic supervisor](#) in advance and submit the necessary documents for acceptance of your Doctoral thesis within the following submission period.

1. How to submit

【Submission period】 Upload must be completed between 9:30 and 23:59 on June 20, 2023 (Tuesday)

【Submission destination】 Online submission by  **manaba**.

Please submit the Doctoral thesis and other necessary documents to the designated report boxes provided in the following courses (divided by program) within the above submission period. (email notification will be sent to students after the course are set up)

【Course Name】 Doctoral Thesis Submission [***]** (* Indicates each student's program)

【Submission box (report title)】

- **Doctoral Thesis** Please submit only the main body of the Doctoral thesis (Submission document 1. ※¹).
- **Examination Documents** Please submit documents other than the main body of the Doctoral thesis (Submission documents 2 to 7※¹).

※¹ For the details of documents to be submitted, please refer to the attached table "List of documents to be submitted".

- Work closely with your academic supervisor so that you can complete the final submission by the above deadline.

- The confirmation seal of "Chair of the Program" and "academic supervisor" in the Request for Screening of the Thesis may be omitted.
- If there are any deficiencies, we will contact you by email after the submission deadline (After Wednesday, June 21), so please be prepared to respond at any time.

2. Documents to be submitted

Refer to the attached table "List of submitted documents" for the submission format and outline of examination documents.

- Please prepare the documents to be submitted by the following method.

The documents must be created using the format downloaded from one of the links below. (Please select according to your year of enrollment.)

Enrolled in 2019 or earlier :

https://www.sie.tsukuba.ac.jp/eng/visitor/student/thesis_before2019

Enrolled in 2020 or later :

https://www.sie.tsukuba.ac.jp/eng/visitor/student/thesis_after2020

- The documents **requiring** a seal or a signature must be submitted as "electronic data scanned in PDF format after stamping on paper media".
- The documents **NOT requiring** a seal or a signature must be submitted as "electronic data converted to PDF format from documents created by word processing software".

3. After submission

For the overall flow, refer to the attached "Submission Flow".

[Correction / resubmission of incomplete documents]

After the submission deadline (After Wednesday, June 21), staff at the Academic Service Office (Graduate Support) will check the documents for any deficiencies.

If there are any deficiencies, we will contact you by email, so please be prepared to respond at any time.

[Doctoral Thesis Public Presentation / Final Exam]
