

# 2025 Application Guidelines

## Special Selection for Overseas Residents

### 1. Schedule

This special selection will be held twice, in January - February 2025 (“January – February Selection Process”) and July 2025 (“July Selection Process”). In the January-February Selection Process, applicants can choose their desired date of enrollment from either April 1, 2025 or October 1, 2025. In the July Selection Process, successful applicants will be admitted on October 1, 2025.

| Date/Deadline                          |                                         | Tasks & Events                                                                                                                                                                                                 |
|----------------------------------------|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| [January – February Selection Process] | [July Selection Process]                |                                                                                                                                                                                                                |
| November 26, 2024                      | TBD (Mid-May 2025)                      | Deadline for eligibility screening (Eligibility screening is required for those who fall under the category (4) of the requirement of eligibility. See also “ <a href="#">3. Eligibility for Admission.</a> ”) |
| December 2, 2024                       | TBD (Late May 2025)                     | Examination fee payment form opens                                                                                                                                                                             |
| December 2, 2024                       | TBD (Late May 2025)                     | Examination application opens                                                                                                                                                                                  |
| December 12, 2024                      | TBD (Early June 2025)                   | Deadline for payment of examination fee and application documents as electronic files via e-mail                                                                                                               |
| December 13, 2024                      | TBD (Early June 2025)                   | Deadline for all application documents                                                                                                                                                                         |
| January 28, 2025 – February 3, 2025    | TBD (Early July 2025)                   | Oral examination                                                                                                                                                                                               |
| February 14, 2025                      | TBD (Mid-July 2025)                     | Announcement of examination results                                                                                                                                                                            |
| <b>[For Enrollment in April 2025]</b>  | <b>[For Enrollment in October 2025]</b> |                                                                                                                                                                                                                |
| After February 14, 2025                | TBD (Mid-July 2025)                     | Enrollment procedure guidelines will be sent out to the successful applicants                                                                                                                                  |
| March 4, 2025                          | TBD (Late August 2025)                  | Submission deadline for enrollment procedure documents                                                                                                                                                         |
| April 1, 2025                          | October 1, 2025                         | Date of enrollment                                                                                                                                                                                             |

Notes:

- 1) The dates and times listed in this document are in Japan Standard Time (JST).
- 2) The finalized schedule will be announced on the following web page after April 2025.  
Degree Programs in Systems and Information Engineering

### 2. Number of Students to be Accepted

The following doctoral programs at the Degree Programs in Systems and Information Engineering are recruiting students in this special selection.

| Program                                                            | Number of students to be admitted |
|--------------------------------------------------------------------|-----------------------------------|
| Doctoral Program in Policy and Planning Sciences                   | A few                             |
| Doctoral Program in Risk and Resilience Engineering                | A few                             |
| Doctoral Program in Computer Science                               | A few                             |
| Doctoral Program in Intelligent and Mechanical Interaction Systems | A few                             |
| Doctoral Program in Engineering Mechanics and Energy               | A few                             |

### 3. Eligibility for Admission

#### [For Enrollment in April 2025]

- (1) Applicants who have been awarded a master’s degree or expected to achieve it by March 2025
- (2) Applicants who have been awarded a professional degree or expected to achieve it by March 2025
- (3) Applicants who have been awarded an overseas degree equivalent to a master’s degree or

professional degree as of March 2025

- (4) Applicants who are 24 years or older as of March 2025, and recognized as having academic competency equivalent to persons with a master's degree or professional degree, as a result of the eligibility screening conducted by UT

#### **[For Enrollment in October 2025]**

- (1) Applicants who have been awarded a master's degree or expected to achieve it by September 2025
- (2) Applicants who have been awarded a professional degree or expected to achieve it by September 2025
- (3) Applicants who have been awarded an overseas degree equivalent to a master's degree or professional degree as of September 2025
- (4) Applicants who are 24 years or older as of September 2025, and recognized as having academic competency equivalent to persons with a master's degree or professional degree, as a result of the eligibility screening conducted by UT

Note: If you have any questions about your eligibility or would like to be screened, please contact us individually at [sysinfo.admission@un.tsukuba.ac.jp](mailto:sysinfo.admission@un.tsukuba.ac.jp).

## 4. Fees & Tuition

### **(1) Examination Fee**

**30,000 Japanese Yen (non-refundable)**

The examination fee must be paid before applying. Your application will be invalid if the payment is delayed. The examination fee is non-refundable after submission of the application documents. Payment can be made by credit card (VISA, MasterCard, JCB, American Express) by following the steps below.

|                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                  |

| 3) Terms of Use and Personal Information Management                                                                                                                                                                       | Please read the Terms of use and Personal Information Management. Click "Agree" button in the lower part of the page if you agree with the terms.                                                                                                                                                |
| 4) School Information                                                                                                                                                                                                     | Read the information carefully and click "Next."                                                                                                                                                                                                                                                 |
| 5) Category Selection                                                                                                                                                                                                     | Choose First – Forth Selection category and click "Add to Basket." The First Selection will be "Degree Programs in Systems and Information Engineering." In the Forth Selection, choose your desired program.                                                                                    |
| 6) Basket Contents                                                                                                                                                                                                        | Confirm the contents and click "Next."                                                                                                                                                                                                                                                           |
| 7) Basic Information                                                                                                                                                                                                      | Input the applicant's basic information. Choose your credit card and click "Next."                                                                                                                                                                                                               |
| 8) Credit Card Information                                                                                                                                                                                                | Input Credit Card Number (15 or 16-digits), Security Code and Expiration date.                                                                                                                                                                                                                   |
| 9) Payment Result                                                                                                                                                                                                         | Confirm all the information displayed and click "Confirm."                                                                                                                                                                                                                                       |
| 10) Credit Card Payment Completed                                                                                                                                                                                         | Click "Print this page" button and print out "Result" page. <u>Both the printed page and its PDF version (Save the "Result" page as a PDF file or scan the printed document to PDF) are required to be submitted.</u> See also <b>No. 8</b> in " <a href="#">6. Documents to Be Submitted.</a> " |

Note: The examination fees will not be charged for foreign students who are supported by the Japanese Government (Monbukagakusho: MEXT) scholarships.

**(2) Admission Fee**  
**282,000 Japanese Yen (non-refundable)**

**(3) Tuition for the First Year**

The tuition rates are subject to change. The tuition of subsequent years will be the same as the first year of enrollment unless the tuition rates are revised.

**[For Enrollment in April 2025]**

| Semester                                     | Amount      |
|----------------------------------------------|-------------|
| Spring AY 2025 (April 2025 – September 2025) | 267,900 JPY |
| Fall AY 2025 (October 2025 – March 2026)     | 267,900 JPY |
| Total amount per year                        | 535,800 JPY |

**[For Enrollment in October 2025]**

| Semester                                     | Amount      |
|----------------------------------------------|-------------|
| Fall AY 2025 (October 2025 – March 2026)     | 267,900 JPY |
| Spring AY 2026 (April 2026 – September 2026) | 267,900 JPY |
| Total amount per year                        | 535,800 JPY |

\*JPY = Japanese Yen

## 5. Application Procedures

### **Before Applying**

Before applying, applicants must contact a faculty member and obtain consent to become their prospective supervisor (the person who gives them academic instructions after enrollment).

For the lists of faculty members and their fields of research, see:

Faculty Directory: [https://www.sie.tsukuba.ac.jp/fac\\_search2/](https://www.sie.tsukuba.ac.jp/fac_search2/)

Faculty List: <https://www.sie.tsukuba.ac.jp/eng/org/staff/>

International students who plan to apply for the following programs will need a “reference number” to complete the application (It is a required item on the application form). The reference number will be issued via the prospective supervisor. Since it will take some time to obtain a reference number, please contact your desired faculty member as soon as possible.

- Doctoral Program in Risk and Resilience Engineering
- Doctoral Program in Computer Science
- Doctoral Program in Intelligent and Mechanical Interaction Systems
- Doctoral Program in Engineering Mechanics and Energy

### **Apply for Eligibility Screening**

Those who fall under the category (4) of the requirement of eligibility (See “[3. Eligibility for Admission](#)”) are required to undergo eligibility screening.

Apply for eligibility screening via e-mail at [sysinfo.admission@un.tsukuba.ac.jp](mailto:sysinfo.admission@un.tsukuba.ac.jp) by the following deadline.

**[January - February Selection Process]**

**Deadline: November 26, 2024 5:00 PM (JST)**

**[July Selection Process]**

**Deadline: TBD (Mid-May 2025)**

Note: The deadlines are strictly observed. Applications received after the deadline will not be accepted.

### **Pay the Examination Fee**

The examination fee must be paid before applying. The payment period is as follows**[January – February Selection Process]**

**Payment period: December 2, 2024 - December 12, 2024 (JST)**  
**[July Selection Process]**  
**Payment period: TBD (Late May 2025 – Early June 2025)**

See also "[4. Fees & Tuition.](#)"

### **Apply for Entrance Examination**

All applicants are required to submit the entrance examination application documents during the following period. In addition to submitting the application in electronic format, the original documents must also be sent by mail. Both must be completed within the application period.

#### **[January – February Selection Process]**

- **Electronic files Submission Deadline: December 12, 2024 5:00 PM(JST)**
- **Original documents Deadline: December 13, 2024 5:00 PM (JST)**

#### **[July Selection Process]**

**Application Period: TBD (Late May 2025 – Early June 2025)**

Note:

- 1) The deadlines are strictly observed. Applications received after the deadline will not be accepted.
- 2) You cannot change the desired program from one to another after the submission of application documents.

See "[7. Examination Schedule, Announcement of Acceptance & Enrollment Procedures](#)"  
for subsequent procedures

### **[E-mail address]**

Please send all application documents to be submitted electronically to the email address below.  
[sysinfo.admission@un.tsukuba.ac.jp](mailto:sysinfo.admission@un.tsukuba.ac.jp)

### **[Mailing Address]**

Send all the application documents to be submitted via a tracked delivery service to the address below.  
Graduate Support  
Academic Service Office for Systems and Information Engineering Area  
University of Tsukuba  
1-1-1 Tennodai, Tsukuba, Ibaraki 305-8573 Japan

## **6. Documents to Be Submitted**

Please read the lists and notes below carefully and prepare the necessary documents for application. Documents that require the original to be mailed are marked 'Required' in the 'Original copy/ Printed document' column in the table below. For documents not marked 'Required' in this column, only electronic data shall be submitted.

**Your completed application form and other supporting documents will not be returned to you.**

### **[For Enrollment in April 2025]**

**[Electronic files] Submission Deadline: December 12, 2024 5:00 PM(JST)**

**[Original copy/Printed documents] Submission Deadline: December 13, 2024 5:00 PM (JST)**

**[For Enrollment in October 2025]**

**TBD**

The photo quality must be: clear and in sharp focus; taken within last 3 months. Submit the digital image in JPEG format.</p> <p>--</p> <p>Printed photo is not required.</p>                                                                                                                                                                                                                                                                                                                        |

Notes:

- 1) If your current name is different from that on the documents you submit (for example, because of marriage), you will be required to submit proof of your name change (e.g., copy of marriage license).
- 2) All documents must be written in Japanese or English. Otherwise, attach a Japanese or English translation.

## 7. Examination Schedule, Announcement of Acceptance & Enrollment Procedures

**See "[5. Application Procedures](#)" for precedent procedures**

**Examination**  
 Applicants will be selected based on screening of the application documents and oral examination.

- 1) The oral examination will be conducted during the following period via Skype, Zoom or other video conferencing tools.

**[January – February Selection Process]**  
**Examination Period: January 28, 2025 – February 3, 2025**

**[July Selection Process]**  
**Examination Period: TBD (Early July 2025)**

- 2) Follow instructions from the degree program, that will determine the date and location of the oral examination.
- 3) Applicants will be asked about their research plan, related knowledge and skills.

**Announcement of Examination Result**

**[January – February Selection Process]**  
**February 14, 2025**

**[July Selection Process]**  
**TBD (Mid-July 2025)**

The result of examination will be announced individually after the oral examination. An acceptance letter will be sent to successful applicants on the same day by e-mail.

### **Receive Enrollment Procedure Guidelines**

**[For Enrollment in April 2025]**

**After February 14, 2025**

**[For Enrollment in October 2025]**

**TBD (Mid-July 2025)**

Successful applicants will receive enrollment procedure guidelines, which contain an acceptance letter and documents to be submitted before enrollment. Follow the instructions in the guidelines.

Important:

Applicants should send an e-mail to [sysinfo.admission@un.tsukuba.ac.jp](mailto:sysinfo.admission@un.tsukuba.ac.jp) by the following deadlines, if they want the enrollment procedure guidelines to be delivered to an address different from the "Current Address" given on the Application Form (No. 1). Otherwise, the documents will be sent to the "Current Address" on the Application Form.

**[For Enrollment in April 2025]**

**Deadline: January 31, 2025 (JST)**

**[For Enrollment in October 2025]**

**Deadline: TBD (Early July 2025)**

### **Obtain a Visa**

Applicants with foreign nationality must acquire a status of residence which is suitable for admission, in accordance with the Immigration Control and Refugee Recognition Act (Cabinet Order No. 319 of 1951), before beginning enrollment procedures. Those who wish to enroll in UT as an international student must obtain a "Student" visa and enter Japan with a residence status of "Student."

### **Obtain a Letter from Employer**

Full-time workers need a document or a letter from their employer to prove that the person is available to complete the program (e.g. an order for a training course, a letter of leave of absence or an approval letter).

### **Submit Documents to Confirm Enrollment**

**[For Enrollment in April 2025]**

**Deadline: March 4, 2025)**

**[For Enrollment in October 2025]**

**Deadline: TBD (Late August 2025)**

The documents should be mailed in a designated envelope (which will be sent to you together with the enrollment procedure guidelines). The deadline date will be stated in the enrollment procedure guidelines.

### **Enrollment**

**April 1, 2025/October 1, 2025**

Those who apply for the January-February entrance examination can choose the admission date from April and October. Those who applied for the July entrance examination can only enter in October.

## 8. Handling of Personal Information

Applicants' personal information obtained from the application documents and the results of the entrance examination will be used for the affairs concerning admission and screening. UT may also process the information so that it is not personally identifiable and use it for research and study aimed at improvement of the admission procedure and the university education.

## 9. Security Export Control

The University of Tsukuba has established the University of Tsukuba Rules on Security Export Control in accordance with the Foreign Exchange and Foreign Trade Act, and conducts strict examinations for

acceptance of international students. Applicants who fall under any of the conditions set out in the said regulations may be unable to enter their desired program.

## 10. Contact

1) If you have any questions about this application guidelines, please contact us:

**Graduate Support, Academic Service Office for the Systems and Information Engineering Area**

1-1-1 Tennodai, Tsukuba, Ibaraki 305-8573 Japan

Monday – Friday (except university holidays),

from 9:00 AM to 5:00 PM (except 12:15 PM - 1:15 PM) (JST)

E-mail: [sysinfo.admission@un.tsukuba.ac.jp](mailto:sysinfo.admission@un.tsukuba.ac.jp)

2) If you have any questions about curriculum or research field, contact your desired program.

**Doctoral Program in Policy and Planning Sciences**
